

Cathedral City Cannabis Security Questionnaire

1. General Security:

Describe the procedure for 24/7 monitoring of the security systems, including the calling sequence in the event the security system is tripped.

Provide the names and emergency phone contact information for owners and managers that will be on-site.

Provide the Alarm monitoring company and related emergency contact phone number.

Provide the names and emergency contact information of persons responsible for notifying Cathedral City Police within 12 hours of criminal activity or attempts of criminal activity.

Provide the name and contact information for the property Landlord if applicable.

Indicate any impediments to emergency responders in entering the licensed premise (note: there can be no anti-personnel devices impeding entry to the location.)

2. Physical Site Security:

Describe how the site will insure external hardening of identified access points (pedestrian doors, roll up doors, etc.) and potential access points (windows). Include examples of, roll up security shutters, horizontal metal gate or security grates, bollards (removable or stationary) at vulnerable access points and roof access, or potential roof access points secured (and alarmed).

Describe and indicate the following internal security measures. Identify the location of any Safes or Vaults, how they are physically secured, alarmed and covered by video surveillance. Describe the interlock access from the lobby to the sales area and how it will be controlled and by whom. Describe the Check in area, is it secured or inaccessible to patrons. Describe and show the Internal surveillance system including the monitoring of the waiting area, sales and display area, cultivation area, critical access points, non-employee access points.

3. Perimeter Security

Describe the method of insuring perimeter Security through the use of secure fencing or walls to deter vehicle and pedestrian access during non-business hours

Describe the external video surveillance coverage of property including the parking lot, building perimeter and access points.

I understand and acknowledge that the security plan shall be reviewed prior to issuance of the Local License, and again prior to issuance of the Conditional Use Permit for a medical cannabis business. I further understand and acknowledge that I will be required to comply with the attached requirements, and to provide a security plan satisfactory to both the City Manager and the Chief of Police, prior to the issuance of the Conditional Use Permit but subsequent to issuance of the Local License. I further understand and agree that this may require amendments to the security plan and or other submitted documents, and that those will not be considered final until issuance of the Conditional Use Permit.
