

Recycle Your Holiday Greenery

December 27, 2010 to January 14, 2011

Burrtec Waste & Recycling Services is pleased to announce the collection programs planned for valley cities that Burrtec services. To recycle your holiday greenery, please remove all ornaments, tree stands, bags and nails. Flocked trees, trees with tinsel, ornaments or tree stands will not be recycled. They will be collected as regular household trash. Please remember to recycle other holiday items such as: cards, wrapping paper, glass, plastic and aluminum beverage containers. These are all items we have in abundance during the holiday season. This program is for Burrtec customers only. If service is provided by another hauler, please check with them for dates and times.

Curbside Pickup:

Please cut trees in lengths not exceeding 4 ft., and place them at the curb for pick up on your regular trash day, between December 27, 2010 to January 14, 2011. If you have automated green waste collection, just cut trees and place beside can. **Please do not put trees into Green Automated Containers.**

Residents living in apartments and condominiums with commercial trash service are encouraged to recycle their trees at the drop-off site listed. If placed in regular bins, trees will be landfilled and not recycled, and valuable space for trash will be lost.

Reminder:

Burrtec will be on regular schedule during the weeks of Christmas and New Year's.

If you need to take your tree to a drop off site.

Please take it to : Burrtec Recycle Center, 41-800 Corporate Way, Palm Desert, CA
